QUESTION AND ANSWER SHEET FOR RECEPTIONS AT FOXCHASE:

Q. How many people does your inside banquet (Palmer Room) hold and how many should I invite?

A. 200 people can be seated in the room and I suggest not inviting more than 215 people.

Q. Is there a dance area?

A. Yes, if you have less than 150 guests, you can dance in the reception room. If you have more, the dance area is in the adjoining room. (Receptions have their dance area in the adjoining room so your guests can talk in the reception room without yelling at each other.) Although both rooms are fully carpeted a wooden dance floor can be rented through Foxchase.

Q. Do we have to clean or set anything up?

A. No. Foxchase will take care of all of the clean-up and set-up unless you want to do your own decoration *under certain circumstances some parties may require a clean-up charge.*

Q. Is there a room charge?

A. No, 5 hours are included in the price of the package. After that time the fee is \$150.00 per hour which is the minimum. Alcohol is additional.

Q. Do you use straight or round tables for our guests?

A. All round tables are used for your guests except for the head table. In some cases of large parties straight eight foot tables may be used to make the room more comfortable for moving around.

Q. Can we use designated seating.

A. Yes. Foxchase will supply you with a floor plan which you must fill out and return 5 days prior to your reception. Foxchase will supply table numbers. All of your tables must be eight (8) people at each. Eight (8) is the maximum suggested at each table.

Q. Can we take pictures outside?

A. Yes. The front of the building is beautifully landscaped during the summer. However I DO NOT suggest going on the golf course.

Q. Do you serve sodas?

A. Yes. When your guests ask, we will be happy to get them any soda from the soda fountain and they are available from when the reception begins till when it ends with no extra expense to you.

Q. Can we have the room decorated?

A. Yes. Do what ever you want as long as it does not damage anything belonging to Foxchase.

Q. Is there adequate parking?

A. For most receptions there is plenty, but for the larger parties (190 +) we will direct your guests, so their cars are not in any danger of being hit by a stray golf ball.

Q. Do you have an amplification system?

A. Yes, The microphone is usually placed at the head of the room for all of the announcing which includes a cassette and CD player.

Q. Can we smoke in the building?

A. Sorry no, only outside the building.

Q. Can we have the ceremony at Foxchase?

A. Yes. The pavilion behind and to the left of the main clubhouse will seat 200 people and we will set it up for and additional cost of \$395.00. It includes an aisle runner, microphone, podium, hanging plants, lattice archway, any tables with tablecloths for the ceremony and rehearsal time.

Q. What is the deposit?

A. \$ 500.00 on Saturdays and \$150.00 every other day.

Q. Is the deposit refundable?

A. Only if you give a 1 year notice 100% is refunded. If less then one year is given \$50 is kept and the remainder is refunded *if the date is rebooked*. **If the date is not rebooked the full amount is kept by Foxchase.**

Q. When is the balance due?

A. One week prior to the reception.

Q. Is there a children's menu?

A. Yes. 6-12 years old - reduces the price by 25% and under 6 years old - we have available the toddlers meal - applesauce, chicken fingers, vegetable, potato, dessert and drink for \$8.37 per child.

Q. What if more guests show up than we told you?

A. We will have the food, but it is up to you to provide the extra place setting on the seating chart, so they have a place to sit. An average of 2 extra seats is all that is normally needed.

Optional;

A dance floor may be rented through Foxchase at \$12.72 per section (three foot by three foot). An average of 16 sections are used for the dance area. If the dance floor is to be used outside it will be \$14.84 per section.

Risers may be rented for your head table with a maximum of 12 people at the head table. The risers are \$42.40 per section and each section seats 2 guests.

After five hours of reception time in the building the price per hour is \$150.00 (PLUS 6% TAX). A one hour minimum is required. Bar charges and bartender is additional.

“Canopy Of Lights” ~ \$195.00 (PLUS 6% TAX).
